

# WP 200

Product no.: T0052919999N

## Benefits

For this purpose, we recommend:

Solder fume extractors

Pre-heating plates

Cleaning

Soldering tips

**Technical Data**

|   |                      |
|---|----------------------|
| Active Tip heating element technology     | ---                  |
| Power Response heating element technology | on                   |
| Silver Line heating element technology    | ---                  |
| Voltage                                   | 24 V                 |
| Power                                     | 200 W                |
| Tip range                                 | XHT                  |
| Supply unit                               | WR 2, WR 3M, WR 3ME  |
| WX-compatible                             | ---                  |
| Temperature range °C                      | 50 - 550             |
| Temperature range °F                      | 150 - 950            |
| Heating time                              | 18                   |
| Safety rest                               | ---                  |
| Safety rest (optional)                    | WDH 31 (T0051515899) |
| Barrel                                    | ---                  |
| Integrated direct extraction              | ---                  |
